Explain:

A student's tuition account will be credited \$8.00 for each hour worked by the student. In addition to tuition credit for hours worked, regular payments must be made to assure your tuition account remains current. The normal hours for work are from dismissal until 4:15pm. Other time arrangements are possible.

If admitted to the Work Study Program, the student is expected to be faithful to her work commitment. A student who does not fulfill this commitment to the satisfaction of those for whom she is working jeopardizes her opportunity to continue in the program. Each student will be evaluated periodically.
